JetBrains Privacy Policy
Please read and accept these terms and conditions. Scroll down for full text:
JetBrains Privacy Policy
Version 2.1, last updated: July 23, 2018
In this Privacy Policy, we describe the types of data, including personal data (collectively, "data"), that we and our associated companies collect from you when you use JetBrains Websites and certain JetBrains products and services as described in this Privacy Policy (collectively, our "services"), how we and our associated companies use and disclose that data, and your options to access or update your data.
This Privacy Policy may be amended from time to time. The respective latest version of the Privacy Policy at the point of time of the purchase or registration of a JetBrains Software Product (whichever occurs later) shall apply. The data controllers are JetBrains s.r.o., Praha 4, Na Hřebenech II 1718/10, PSČ 140 00, Czech Republic, and the associated companies of JetBrains.
JetBrains and its associated companies act as joint data controllers, who are jointly responsible for compliance with data protection legislation. JetBrains s.r.o. is primarily responsible for exercising of rights of data subjects and providing information about data processing.
I confirm that I have read and accept the terms of this User Agreement

Data Sharing
Help JetBrains improve its products by sending anonymous data about features and plugins used, hardware and software configuration, statistics on types of files, number of files per project, etc.
Please note that this will not include personal data or any sensitive information, such as source code, file names, etc. The data sent complies with the JetBrains Privacy Policy.
Data sharing preferences apply to all installed JetBrains products.
You can always change this behavior in Settings | Appearance & Behavior | System Settings | Data Sharing.
